21 Reedy St, Redcliffe

PERFECT HOME WITH SPACE !!

Located within mins to the Waterfront of Redcliffe, sits this fantastic 6 year old purpose built home that you have to inspect to appreciate the true size. The house could comfortably cater for a very large family, or perhaps two or make some extra money and convert part of the house into an air bnb.

The floor plan can give some indication of the sheer size, but the layout can be changed around to suit how you would use the accommodation. The large alfresco area overlooks a pool to come home to and relax in after a hard day's work.

As you walk into the entry, you can feel the sheer size, space and sea breezes that flow through the home. The kitchen is of great quality and has a family friendly layout which has an induction cooktop now, overlooking one of the living areas and the open plan dining area and games room.

The home has 4 generous sized bedrooms, with the master suite being complimented by an en-suite and larger than normal walk in robe. Make no mistake, this property is very impressive and is genuinely unlike any other I have visited in the area!

Off the 2 front bedrooms there is also a separate living area which has a private courtyard area that would be suitable for guests or extra family members to have their very own private living arrangements which you can close off from the main part of the house.

21 Reedy Street Redcliffe is the place to live for families, as the homes proximity to reputable local primary and secondary schools. Local supermarkets, sporting facilities, cafes, restaurants and the popular Suttons Beach are all within a few minutes' drive. While public transport is only a few streets away. Living on the peninsula is the place to be.
